4. TERMS AND CONDITIONS

4.1 How we process your personal information

- We collect personal information about you to offer you the best service. We will not share this information outside of the Sanlam Group, its associated groups or agents, without your explicit consent. In order to provide you with an effective service, we may be required to share this information with our administrators or agents who perform certain services for us (e.g. mail houses who post your statements on our behalf), members of the Sanlam Group, your financial adviser or broker, as well as with any regulatory bodies as the law requires. We may share your information with foreign regulatory bodies if required.
- Your information is used for administrative, operational, audit, marketing, research, legal and record keeping purposes. We will take all reasonable steps necessary to secure the integrity of any personal information which we hold about you and to safeguard it against unauthorized access. If you don't consent to us using your personal information, there may be delays or some instructions might not be carried out. You can have access to your information at any time and ask us to correct any information we have in our possession. Please feel free to write to us to obtain a copy of this information. We keep relevant documents for a **period of five years or more** as required by the law. If you consent to us retaining your personal information for **periods of longer than five years**, we will restrict access to your information. It will only be processed for storage or for purposes of proof (with your consent).

4.2 Unclaimed assets and how they affect you

- As a member of the Association for Savings and Investment SA (ASISA), we follow ASISA's Unclaimed Assets standard. An unclaimed asset is any investment on which there have been no transactions for **ten years**, or in the case of a deceased estate, **more than three years** have passed since we have received the notice of death. Our policy is to continue reinvesting all income distributions (interest) and redemption payments until the investment is sold, regardless of the time frame.
- According to ASISA's Unclaimed Assets standard, we follow a process of tracing investors or beneficiaries on any unclaimed assets. Any reasonable administrative and costs incurred to trace the investor may be recovered from the value of the portfolio, thereby reducing the value of your investment. Tracing will cease where the value of the investment is less than R1000 and the costs of tracing exceeds the benefit of tracing. More information on the ASISA Standard on Unclaimed Assets and the processes is available on www.asisa.org.za.
- Please note that to prevent your investment becoming an unclaimed asset, it is your responsibility to inform us of any change in your personal information.

4.3 Update your personal details

It is your responsibility to keep us informed of any changes in your banking details, personal information or current identification information (e.g. change of address, change of surname and contact details). If any of your details have changed, please contact the Call Centre.

4.4 Complaints procedure

We want to give you outstanding client service, but sometimes things go wrong. If you are dissatisfied with our service, or any of our products have disappointed you, we would like to hear about it. Please contact the Administrator on Tel: 0861 100 670, email: satrix@aospartner.com and inform them of the complaint.

Should you fail to receive service from the Administrator that satisfies your complaint, you may wish to contact SATRIX Managers (RF) (Pty) Ltd directly: complaints@satrix.co.za.

Your views are very important to us. When we receive your complaint, a competent team, specifically trained to handle and resolve complaints, will investigate it and try to resolve it **as soon as possible** in a fair manner. If the complaint has not been resolved to your satisfaction, you may refer it to the Sanlam Arbitrator. The Sanlam Arbitrator is an impartial person that settles disputes between dissatisfied clients and Sanlam.
