### 5. Important notes

#### What is the function of this form?

This form acts as your instruction to record a cession on this investment. This is not the actual cession agreement. You will enter into the cession agreement with a third party (usually a bank or financial institution) to which you are ceding your investment. If you wish to transfer full ownership of your units to a third party, you must fill out a **Unit Trust Transfer form**, available from [www.satrix.co.za](http://www.satrix.co.za)

#### Cedent

The person or legal entity in whose name the investment is held ie the investor. The cedent cedes units in the investment to the cessionary (usually a financial institution).

#### Cessionary

The person or legal entity (usually a financial institution) in whose favour units in the investment have been ceded. The cessionary has full rights in the units that have been ceded to it.

#### How do we record the cession?

We record a cession by restricting the cedent (the investor) from transacting on the units indicated in section 3.

#### Who can transact on the ceded units?

As long as the cession remains in place, the cedent may not withdraw, transfer or switch the ceded units without the written consent from the cessionary. If the cessionary agrees, the cedent and cessionary will need to provide consent for the transaction to be processed.

### 6. Terms and conditions

- The cedent and cessionary acknowledge and understand that the value of the investment may fluctuate from time to time.
- If no units or rand amount is specified, the total unit balance will be ceded. If we receive a request to record a cession for a rand amount, the rand amount will be converted to the equivalent value of units. After we record the cession, the units will be priced at the latest available price. The cedent and cessionary acknowledge and understand that the value of the investment may fluctuate from time to time. The cedent and cessionary accept the risk of such fluctuation and that it is their responsibility to monitor the value of the security given.
- No withdrawals and switches will be allowed on ceded units without the written consent of the cessionary. If the total unit balance has been pledged, both the cedent and cessionary have to consent to a withdrawal. If only a portion of the unit balance has been pledged, the unpledged portion of the balance is available for withdrawal by the cedent and the consent of the cessionary is not required. If the cedent wants to withdraw from the pledged portion of the account, the consent of both the cedent and cessionary will be required.
- If the cedent's (investor's) personal information has changed, an **Investor Details Update** form will need to be completed and is available at [www.satrix.co.za](http://www.satrix.co.za)
- We accept that the instructions we receive are correct and signed by the authorised individual or signatories (cedent and cessionary).
- We will only carry out instructions that are complete and supported by accurately completed documents. Similarly, your instruction may be delayed if it has been issued incorrectly, is unclear, incomplete, or if the supporting documents have not been submitted in full. All the fields are compulsory and need to be filled out in full.
- The cedent and cessionary understand that the cession will continue to be noted on our records until we are advised by the cessionary, in writing, that the record of cession should be cancelled.
- We or our authorised agents cannot be held liable for direct or indirect damages arising from any cause as a result of us acting on the instructions in this form. Similarly, the cedent (investor) and cessionary will indemnify us, our directors, employees, representatives and agents against any claim that may result from us acting on the instruction in this form or any future instructions received from the cedent or cessionary following the record of a cession.
